ABOUT

THE MALTA INSTITUTE OF ACCOUNTANTS

The Malta Institute of Accountants is the voice of the accountancy profession in Malta, providing professional guidance, technical support and continuing professional education to its members.

The Institute is proud to announce the launch of the International Associate membership class while widening the criteria for Associate members.

Foreign accountants working and residing in Malta can now form part of the Institute as International Associate Members or Associate Members.

ELIGIBILITY CRITERIA

International Associate Membership

- Be a person of good standing.
- Have an accountancy qualification other than the ones specified for Associate Members.
- Have successfully obtained a warrant to practice the profession of accountant or auditor in a country other than Malta.
- Have a valid work permit (where applicable).
- Are undertaking accountancy/audit related work in Malta in terms of the Accountancy Profession Act and related Regulations.
- Reside in Malta till the end of a calendar year or indefinitely.

Associate Membership

- Be a person of good standing.
- Have an ACCA or ACA qualification. Local variant examinations are not a requirement; or
- Have a Masters in Accountancy qualification issued by the University of Malta; or
- Have a qualification equivalent to the University of Malta's Masters degree which is also recognised by the Accountancy Board for the purpose of obtaining the local warrant and be a member of a professional accountancy/audit body in the country of origin.
- Reside in Malta or have a permanent link in Malta.

HOW TO APPLY

Apply **online** via the Institute's website.

Submit the requested documentation along with the application.

Settle the relevant applicable fees.

Applications are reviewed internally and are approved by Council.

HOW TO RENEW

Renewal of International Associate membership from one year to the next will be subject to review.

The eligibility criteria must continue being met in order for the membership to be renewed.

Renewal of Associate membership will be automatic subject to the payment of the relevant annual subscription fee.
